

# INTERNAL OFFICE COMMUNICATION

TO: Joan Anderson, Director's Office DATE: February 4, 1977  
FROM: Don Day, Chief, Office of Land Pollution Control  
SUBJECT: Director's Mail Control Slip #2751

---

---

On December 20, 1976, Control Slip #2751 was received from Ernie Neal. The attached material was an operational report as required by solid waste regulation 3745-27-09. The report was sent to SEDO and an acknowledgement letter was sent to the entity. By regulation, the district office will review the report and, if necessary, work with the entity on basic solid waste disposal site requirements.
